ANSWERS:

1. Coffee is a drink made from the roasted seeds, known as __________, of the coffee tree.
   a) berries – This is not the correct answer. The berries (or 'cherries' as they are also called) contain the thing which is used to make coffee.
   b) bark – This is not the right part of the tree. Try again!
   c) beans – This is the correct answer. Well done!
   d) leaves – This is not the right part of the tree. Try again!

2. Once the beans have been roasted, they are __________ and brewed to make coffee.
   a) ground – This is the correct answer. Well done!
   b) grind – This is not the correct answer. 'Grind' is the base (or 'first') form of the verb; you need a past participle (or 'third form') here. Try again.
   c) grinded – This is not the correct answer. Try again!
   d) grounds – This is not the correct answer. Coffee 'grounds' are the result of the grinding process; you need the past participle of the verb 'to grind' here.

3. In automatic coffee makers, hot water drips onto grounds held in a __________ made of paper, plastic or metal.
   a) fitter – This is not the correct spelling. Try again!
   b) filter – This is the correct answer. Well done!
   c) cup – This is not the correct answer. Once the coffee has been processed by the coffee maker, you can drink it from a cup. Here, you need a word which describes part of the coffee-making machine.
   d) mug – This is not the correct answer. Once the coffee has been processed by the coffee maker, you can drink it from a mug. Here, you need a word which describes part of the coffee-making machine.
4. About half the coffee sold worldwide is ________ trade, meaning that the growers are guaranteed a negotiated price before they harvest the beans.
   a) ground – This is not the correct answer. Try again!
   b) unfair – This is not the correct answer. Try again!
   c) far – This is not the correct answer. Try again!
   d) fair – This is the correct answer. Well done!

5. Coffee can have a stimulating effect, because of its ________ content.
   a) caffeine – This is the correct answer. Well done!
   b) café – This is not the correct answer. A café is a place for drinking coffee (and other drinks!). Try again.
   c) caffiene – This is not the correct spelling. Try again!
   d) caffene – This is not the correct spelling. Try again!

6. You are totally wrong about this situation, why can't you just ________ the coffee!
   a) wake up and smell – This is correct. To 'wake up and smell the coffee' means 'to realise (or admit to yourself) the true nature of a situation'.
   b) get up and smell – This is not correct. Try another verb instead of 'get'.
   c) wake up and taste – This is not correct. 'Taste' is not the correct sense.
   d) get up and taste – This is not correct. Try another verb instead of 'get'.
