ANSWERS:

1. Make sure you ________ your computer before you leave the office.
   
a) close – You can close a window on your screen but you can’t close the computer.
b) shut down – When you switch off your computer we say you 'shut it down'.
c) restart – 'Restart' means start again, e.g. if you have a problem with the computer, you might try restarting it.
d) lock up – You can lock up your house, but not your computer.

2. How long are you going to be _____ the computer?
   
a) at – This is not the correct preposition.
b) in – This is not the correct preposition.
c) to – This is not the correct preposition.
d) on – If you are using the computer, you can say you are 'on it'.

3. Oh no! This stupid computer has ________ again!
   
a) crashed – If your computer stops working properly, you can say it has 'crashed'
b) broken down – We usually talk about cars 'breaking down'.
c) had an accident – This is not correct.
d) failed – Someone might fail an exam, but a computer cannot fail.

4. I can spend the whole weekend just ________ the net.
   
a) sailing – This is not the correct verb.
b) swimming – This is not the correct verb.
c) surfing – When someone uses the internet, for pleasure not for work, we can say they are 'surfing'.
d) windsurfing – This is not correct.

5. Now we have broadband, we're ________ to the internet 24 hours a day.
   
a) joined – This is not the correct verb.
b) linked – This is not the correct verb.
c) connected – We say you are 'connected' to the internet.
d) attached – This is not the correct verb.

6. To open a file, just ________ on it with the mouse.
   
a) press – This is not the correct verb.
b) cluck – 'Cluck' is the sound a chicken makes.
c) hit – This is not the correct verb.
d) click – You generally have to click or double-click on files to open them.
